## Technical Skills

- Python,
- Java
- HTML

## Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Team Player

## Education Background

- Bachelor of Engineering (BE) in [Your Engineering Stream], Maharaja Institute of Technology Mysore (MITM), Current Semester: 5th

## Languages

- English
- Hindi
- Urdu
- Kannada

## About Me

Passionate engineering student at Maharaja Institute of Technology Mysore, skilled in Python, Java, and HTML. Accomplished in university football, locally and zonally. Dedicated to continuous learning and exploring cutting-edge technologies. A collaborative team player with effective communication skills, actively contributing to GitHub projects. Eager to apply skills and enthusiasm to impactful real-world projects, open to growth opportunities.

## Projects

- Black Jack Game Developed a command line interface Black Jack game in Python. Implemented game logic, user input handling, and scoring system.
- Caesar Cipher Implemented a simple Caesar Cipher algorithm in Python for message encryption and decryption.
- Hangman Game Developed a Hangman game using [Python]. Implemented word selection, user input handling, and scoring system.

## Courses

- <https://www.udemy.com/course/100-days-of-code/learn/lecture/19658862#overview>

## Professional Experience

No prior professional experience, however I have attend online courses
